Dear Friend,

The 2010 elections present our party with extraordinary opportunities. With elections for Governor, Attorney General, State Treasurer, Secretary of State, an open US Senate seat, three open seats for U.S. Congress and the entire State House the 2010 there is no shortage of excitement. These elections will determine who presides over a historic redistricting process following the 2010 process.

Make no mistake, the 2010 election will be one of the most important elections in Kansas' history. Kansans crave true leaders who will meet challenges with ideas, not ideology - with solutions, not stall tactics - and with problem solving, not politics. In 2010, Kansans will be given a clear choice between extreme-right, partisan Republicans and hard working, common-sense Democrats.

Together we will build an even stronger Kansas Democratic Party.
